Message from the Vicar

Dear members of the Parish,

Happy to interact with you, again, through our newsletter. We will be communicating through e-newsletter till such time as the lockdown restrictions are eased.

Let's thank God for the wonderful ways in which we were led in the last quarter.

The time we are passing through is very stressful, sad and chaotic because of the pandemic. Each day brings heart breaking stories connected to COVID 19. The world as a whole is facing financial crisis, psychological issues, etc. The trauma that the migrant labourers went through was shocking. People who went for treatment, work and studies are still held up in different places! Let us pray for the invention of the best medicine/vaccine to eradicate the virus for ever from the face of the Earth.

AMPHAN - the devastating super cyclone caused major destructions, mainly, in West Bengal and Bangladesh. 20th May 2020 - we can't forget the terrifying moments it has created. The damages caused by the cyclone still need to be repaired. The post-cyclone needs that arose in our Jaggadal Mission centre were well taken care of by Anish Achen, the evangelists and the caretakers. The timely help of Rs. 2 lakhs from our beloved Metropolitan, His Grace Most Rev. Dr. Joseph Mar Thoma, was indeed a great support for the repairs of damages that occurred due to the cyclone in the mission centre.

The tension existing on the borders of our country is another major threat the nation is facing. We lost the precious lives of our soldiers in the fight. Let us pray for the peace of their families.

Also, let the nations involved in the issue reach an agreement to avoid any further conflicts.

The social distancing norms and the spread of the virus force us to continue our worship services and organisation meetings online. We started the arrangements of services using online facility, from the first Sunday of May 2020. The prayerful participation of our members in all these meetings from different parts of the world, gives a new spirit of togetherness. Our former Vicars are giving the message in the prayer meeting on Sunday evenings. It is a good time to meet our beloved Achens and their families. Thus, the virtual meetings and services are making our spiritual journey more energetic and vibrant! All organisation meetings are also well attended by the members.

Please pray and participate in the Parish activities.

Wish you all grace and happiness of our Lord and Saviour Jesus Christ.

In His ministry,

Renuachen.

30th June, 2020

Jagaddal Mission

Acharya : Rev. Anish C Skaria (75969 39993)

The mission of God flows directly through every believer and every community of faith that adheres to Jesus. God's purposes are fulfilled through God's people. The end result of such mission “Dei is the glorification of the Father, Son, and Holy Spirit.” But for mankind this is a period of adversities. We should be more systematic and order in spiritually and physically to overcome different challenges.

Jagaddal Mission is also facing different challenges in this pandemic times.

The poor villagers were already struggling hard to meet their basic necessities in life due to Covid-19 & the Lockdown for the past three months. The Mission Centre in its own humble ways was helping them to cope with the situation.

The Super Cyclone “Amphen” that struck South 24-Parganas and parts of Kolkata city with tremendous fury caused un-describable loss to property and cultivation in these villages. Houses with mud-walls & thatched roof razed to the ground, houses with roofs flown away, fruit-bearing trees and vegetable cultivation completely devastated are heart-rending scenes as one enters these villages.

The Mission Centre too suffered heavy damages to its infrastructure and the 6-acre Premises of the Centre wears the

look of a total picture of destruction and devastation. About 48 trees were broken or completely uprooted, buildings and boundary walls damaged, vegetable cultivations razed to the ground, it will take a long time and investments to overcome the losses.

We the members of the Jagaddal Mar Thoma Mission express our sincere gratitude for the prayers, blessings and timely financial help that Most Rev Dr. Joseph Mar Thoma Metropolitan has given during this period of crisis.

We acknowledge the timely correspondence of Rev. Renu John about the Amphen to Metropolitan.

Now reconstruction of the gate and walls are in progress.

Jagaddal mission conducted few online worships in these days, even though the modern medias are unfamiliar and unreachable. In school also online classes are going on even though the amphen interrupted network for so many days. Parents are not willing or unable to pay the fees. So we are facing difficulties to pay staff salary.

Kolkata Mar Thoma members helps mission with your prayers and involvement. With the help of Muthoot Bankers and Janata Medical Service, we got 1500 masks and soaps to distribute in the villages and school. The Mission express our gratitude. Missionary Achen along with Evangelists visits villages, councils them, and distributed the masks.

In the midst of several limitations, God enabled all of us to partake in his ministry. With full of gratitude towards Almighty, I am winding up this report.

May God bless us.

Anish Achen (Acharya)
